# Celebrate Unsung Heroes: A Salute to Migrant Workers This Labour Day!

This International Labour Day, let's honor the unseen heroes who keep our society running – the migrant workers! **Caring Through Sharing (CTS)**, an initiative of JRDS-DP, along with our partner, the Migrant Assistance and Information Network (MAIN), stands in solidarity with these pillars of perseverance.

**Caring Through Sharing's (CTS)** mission is to empower these workers, educate them about their rights, and support them during difficult times. This May 1st, we marked Labour Day with significant awareness programs in Gujarat, Chhattisgarh, and West Bengal. These events not only celebrated the workers' invaluable contributions but also highlighted the challenges they endure.

Thanks to your donations, we've reached over 5,000 migrant workers across India. With your continued support, we can create a more just and supportive environment for these communities, and expand our reach to even more migrants who are in distress and require your support!

Together, Let's Empower Migrant Workers!

Let's carry the spirit of International Labour Day forward. Let's build a society that celebrates, values, and empowers migrant workers. Their resilience inspires us all.

Help Us To Help Them <https://jrds.org.in>

## Janhit Vikas Trust Offers Free Spoken English and Computer Courses in Mumbai

In a remarkable step towards empowering marginalized students, Janhit Vikas Trust, a Jesuit initiative in Mumbai, is offering free one-month courses in spoken English and computer operations. This initiative aims to equip underprivileged children with essential skills, enhancing their ability to navigate the job market and shape their futures.

These free courses are part of the "**Caring Through Sharing**" initiative, which focuses on education and skills development for those in need. By fostering confidence and providing valuable communication and computer skills, the Janhit Vikas Trust helps young students break the cycle of poverty and compete for better opportunities.

These courses are helping to build self-esteem and open doors to new possibilities, allowing students to envision and work towards a brighter future. By investing in education and skill development, Janhit Vikas Trust is making a significant difference in the lives of these children.

Support Janhit Vikas Trust in their mission to provide free education and skills training to marginalized students.

Snehasadan, our partner in Mumbai is a beacon of hope for homeless street children and has been providing shelter and a brighter future for countless children over the past six decades.

We are thrilled to share the inspiring achievements of our students at Snehasadan. Akash Tandel scored an impressive 81.33% in his HSC board exams, while Allarakhi Shaikh achieved a commendable 72.17%. These remarkable results are a testament to their hard work and determination, coupled with the unwavering support from Snehasadan.

Akash Tandel aspires to become a Company Secretary (CS). He shared with us that his success is a result of extensive preparation, determination, and the tremendous support he received from Snehasadan. His story is a powerful example of what can be achieved with the right guidance and support.

Snehasadan is more than a House of Love; it's a sanctuary where children can achieve their dreams. We are committed to accompanying and supporting them every step of the way. We invite you to join us in our mission to provide shelter and education to many more children. Your continuous support can make a world of difference.

## Invest in the Future: Empower Adivasi Children in Wayanad

Our educational partner, the Tribal Unity for Development Initiative (TUDI), is a dedicated organization working to uplift indigenous communities in Wayanad. These Adivasi communities, rich in cultural heritage, often face challenges in accessing mainstream development opportunities.

At **Caring Through Sharing (CTS)**, we are proud to partner with TUDI to help bridge this gap. By supporting the education of Adivasi children, we aim to provide the guidance and resources they need to succeed. This partnership reflects our commitment to making a meaningful impact on these communities.

One of TUDI's most impactful projects is the Children's Library. This vibrant space nurtures a love for reading among tribal children, offering them a gateway to a world of knowledge and imagination. The library not only inspires young minds but also plays a crucial role in their educational journey.

Your support for TUDI means more than just providing books; it means giving these children the tools to dream, learn, and grow. Together, we can empower the next generation of indigenous leaders and help create a brighter future for the Adivasi communities in Wayanad.
